EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with W. Kraye on March 2, 2005.

The application has been amended as follows:

In Claim 8 line 4: The term "playing position, and " has been replaced with—
playing position, with said upright members in a substantially upright vertical orientation
,and —

In Claim 8 line 6: The term "said base and said upright members are in a substantially upright orientation. " has been replaced with —
said base and higher than said crosspiece in said playing position and said upright
members are in a substantially vertical upright orientation. —

In Claim 10 line 1: The term "including articulating means near "has been replaced with—
including articulating means for moving said crosspiece near and —

Reasons for Allowance

The prior art does not show or suggest an articulating regulation football goal post having means for moving a crosspiece and two upright members while in a substantially vertical orientation to an elevated position at least 15 feet above a base in addition to the other elements of the structure claimed.
